

**Bexar County
Infrastructure Services
Flood Control CIP Program**

Project: SA 2

Laddie Place RSWF Phase III

Location / Limits: Corner of Fredericksburg Road and Gardina St.

SCOPE :

The project will consist of the construction of a Regional Storm Water Facility (RSWF) to remediate the flooding that occurs at the Northwest Center strip mall at the corner of Gardina and Fredericksburg Road as well as downstream to the Woodlawn Lake area. The City of San Antonio has constructed the Laddie Place I and Laddie Place II Detention Ponds but additional relief is required. The project will require coordination with CoSA, San Antonio River Authority, and VIA Metropolitan Transit.
